Sir:

The Office Action dated December 14, 2005, states that Figures 4, 5, 6, 7, 8, 9 and 10 contain five distinct species. Presumably, the Examiner is referring to Configurations 1-5 represented in these seven figures as being the five distinct species.

In response to the Office Action, Applicants elect Configuration 3, represented by Figures 6 and 7, for purposes of prosecution. The claims readable on this specie include claims 26-33, 41-57, and 82-85.

The Office Action identifies claims 1-3, 74-81 and 104-107 as being generic. Applicants respectfully submit that claims 72, 73 and 89-103 are also generic to all of the disclosed Configurations.

Favorable consideration of the pending claims is respectfully requested.

Respectfully submitted,

BUCHANAN INGERSOLL PC
